Congratulations Wild Goose!

There is a long list of legends and landmarks left behind from one of the greatest American icons of the Old West, John Wayne. The famed star draws recent recognition to Newport Beach as his cruise liner, Wild Goose, earns a spot on the National Register of Historic Places. Wayne renovated the minesweeper WWII vessel into a pleasure boat to entertain family and friends. After Wayne's passing, several owners

made renovations making sure to keep most of the charm and décor intact. Hornblower Cruises later added the vessel to its fleet of charters available for dinner parties and tours of the Harbor. In an effort to help boost recognition of the

famous boat and its legendary owner. Hornblower Cruises decided to enter the yacht into the running to be listed on the National Register of Historic Places. With the boat's exceptional significance to Wayne,

the boat was awarded this honorary designation becoming a noteworthy piece of Newport Beach's history. We are thrilled to appreciate the magnitude of having this boat as a

neighbor in our harbor and thank Hornblower Cruises for preserving this extraordinary piece of history for future generations to enjoy.

And the Winner Is...

Congratulations Chris & Wanda Long! You have been chose for this month's drawing for a \$250.00 gift certificate to Pelican Hill® Resort. We hope you enjoy your gift to this Five-Diamond Resort to use towards *al fresco* dining at Andrea, playing a round of golf on the ocean-view courses or retreating to The Spa for some much deserved rest and relaxation.
